

8 Międzynarodowe Forum Naukowo-Gospodarcze  
CHEMIKA EXPO 2017  
23-24 marca 2017r.

## The 8th International Economic Business and Science Forum CHEMIKA EXPO 2017

**International operations - the engine of companies' development**  
**Modern materials and recycling development opportunity for innovative companies and local governments**

### Organizers:

Zachodniopomorski  
Uniwersytet  
Technologiczny  
w Szczecinie

CBIMO

Sustainable  
Business Hub

Date:

23 March 2017r.

Place:

Conference room in the Regional Centre for Innovation and Technology Transfer at Jagiellońska Street 21 in Szczecin.

Entrance fee

FREE

Organizers:

Association West Pomeranian Chemical Cluster "GREEN CHEMISTRY",  
Center of Bioimmobilisation and Innovative Packaging Materials ZUT in Szczecin,  
Co-organizers: Regional Centre for Innovation and Technology  
Transfer, ZUT in Szczecin

Head of the Sustainable Business HUB Malme (Sweden),  
Municipal Office in Szczecin

Funding:

Media patronage:

światbiznesu

przemysł  
chemiczny
